Dear Pastor Billy,

On behalf of North Fulton Community Charities, I want to thank you for your generous donation of food in November for our Food Pantry. We are so touched by your thoughtfulness. Your kind gift will make a real difference for many families in our community and your continued support of NFCC is greatly appreciated.

Each month, more than 1,200 families receive food and staple goods from our Food Pantry more than 1,700 times. We give out 2 tons of food on a daily basis, so it is critical that we have a constant stream of food donations to keep our shelves filled. Your donation has enabled us to fill our shelves and continue to distribute food to families in need.

We are blessed to live in a community that cares. Whatever success NFCC has had is entirely due to the generosity of friends like you, who have opened your hearts, dug deep in your pockets and held out your hands to lift up our neighbors.

Thank you again for caring about those who live in our community that need our help.

Sincerely,
